VVNT SEQUOR LLP · ACCESSIBILITY & INCLUSION

Accessibility Testing *& Inclusive Digital Experience*

Accessible, usable and inclusive digital products — accessibility as a user-experience requirement, not just compliance.

IAAP Organizational Member | CPACC · WAS · CPWA · DHS Trusted Tester | VPAT® / ACR Support

VVNT SEQUOR LLP helps organizations build accessible, usable and inclusive websites, mobile apps, SaaS platforms, enterprise applications and customer-facing services — embedding accessibility into design, development, testing and deployment, delivered by IAAP-certified professionals across assessment, remediation, conformance reporting and training.
