VVNT SEQUOR LLP · PROPRIETARY PLATFORM

Agentic Workforce Platform™ *AI-Powered Employee Lifecycle*

One workforce platform. Every employee journey. End-to-end automation.

Recruit to Retire | Persona-Based Cockpits | AI-Driven Workflows

Agentic Workforce Platform™ by VVNT SEQUOR LLP is an AI-powered workforce lifecycle management platform that automates and optimises employee journeys from recruitment through offboarding — combining HR operations, workflow automation, AI assistants, workforce analytics and lifecycle management in one connected system, not disconnected HR tools.

EMPLOYEE LIFECYCLE COVERAGE

01	02	03	04	05
Recruitment & ATS	**Onboarding & Engagement**	**Performance & Talent**	**Learning & Development**	**HR Ops & Workforce Analytics**

NOT ANOTHER HR TOOL

One Connected Platform

Unlike standalone HRMS, ATS, onboarding, learning or performance tools, every lifecycle stage is connected through a shared AI-driven framework — one view of talent, performance and workforce operations.

Key Features

- End-to-End Lifecycle Automation
- Recruitment, Onboarding & Offboarding Workflows
- Performance & Goal Management
- Learning & Development Tracking
- Compensation & Workforce Processes
- Employee, Manager & HR Cockpits
