VVNT SEQUOR LLP · PROPRIETARY PLATFORM

VVnT Accreditation™ *AI Assurance & Product Trust*

Independent assurance. Evidence-based confidence. Build trust before you scale AI.

Independent Assurance | Evidence-Based Reporting | VVnT POC Assurance Certificates

VVnT Accreditation™ by VVNT SEQUOR LLP is an independent AI and product assurance platform that helps organizations demonstrate trust, governance, safety, quality and compliance across AI-enabled products, digital solutions and enterprise AI deployments — with independent evaluation, documented evidence and assurance reporting instead of self-assessments and vendor declarations.

ASSURANCE EVIDENCE FOR

01 **Customers & Enterprise Buyers**

02 **Regulators**

03 **Boards & Risk Committees**

04 **Auditors**

05 **Product & Innovation Teams**

Why *VVnT Accreditation™*

Independent, evidence-backed assurance rather than self-attestation — every assessment supported by documented validation results, evidence trails, governance findings and assurance reporting.

Not self-attestation | Documented evidence | Procurement-ready | Regulator-ready

POWERING SERVICES LLM Evaluation, AI Assurance & Model Validation · AI Testing, Evaluation & Responsible AI Assurance · ISO 42001 AI Governance & Compliance · Cybersecurity Assessment & Assurance · Enterprise AI Transformation Programs

VVnT Accreditation™ is VVNT SEQUOR's independent AI assurance service; it is not an accreditation-body designation.

Build trust before *you scale AI.*
